Homeowner's Landscape Maintenance Guide

These 24-page booklets are designed for OLA Members to leave with their client after completing a landscape installation.

They include general information to help the client care for their landscape. They give information without overwhelming the client.

The cover provides a place for members to attach their business card, label, or stamp their company name and phone number.

What a great way to say "Thank You!" to your client while keeping your name in front of them!
